Top three scores from each region PLUS all scores of 575 and above qualify to stage two.

Notes:

A very low scoring stage - with a couple of exceptions - it almost seems like everyone was trying NOT to qualify by staying under the qualifying score of 575! Those of you with a "Q" next to your name, however, have qualified for stage 2 - mostly by being in the top 3 in your region! The Top TWO shooters from each region at the conclusion of Stage 2 will be invited to shoot the Champions Final (60 Shots) on the Tuesday afternoon at the Bisley championships in September. Single entrants from a Region who have submitted a score, get a Bye for Stage 2 so have qualified for the final already.
