Another year and still a few shooters missing that should be shooting and about 40% (23 people) of the total entered are 'no cards received' – Is it that the cards were so bad or that the shooter didn't bother? To save on ink I have not bothered to name those who have not returned cards, but have a list for the Captains who wish to reclaim the money paid.

As this is the only round the Regional Winners are indicated by being underlined and I offer my congratulations to them. It's good to see that the Met had two in the 590's and it's a shame with those sorts of scores that there has to be a loser, however both will be in the Fred Jennings Final for the Top Ten which is indicated by an asterisk.

Congratulations to Ernie Cooper who is top scorer in this round with a 593.

**The Final this year will be concurrent with Competition seven on Thursday of the PAA Week. It is anticipated that all will shoot shoulder to shoulder on the first detail.**

**Please give a contact Phone Number so that I can give everybody that's shooting a call to inform them. I will have the results at the meeting or to your addresses if there's an SAE.**

Good Shooting,

PS My apologies for getting it out late but due to unforeseen problems, events for the Moscow trip have taken over.....
