Another year and still a few shooters missing that should be shooting and about 40% of the total entered are 'no cards received' – Is it that the cards were so bad or that the shooter didn't bother? - Blimey this is a repeat of last year.....

As this is a double round the Regional Winners are indicated and I offer my congratulations to them. It's good to see that Leicestershire had two with scores in the 590's and it's a shame with those sorts of scores that there is a loser, however both will be in the Fred Jennings Final for the Top Ten (indicated by \*).

It's at this stage that I normally congratulate the highest scorer, but as it's me I won't bother.
