- Therefore individuals who attend the Finals for reasons other than previously stated will NOT be allowed to participate in the competition just because of their availability to shoot – e.g. because they are there as a member of a team representing that Region.

7.4 Last date of entry

Entries must be made on the issued forms which are obtainable from the Secretary or downloaded from the Section website, and should be submitted by the last day of the Police Sport UK Shooting Section National Championships, held at Bisley in September. Late entries may be accepted if there are extenuating circumstances, but will not be allowed to delay the distribution of competition labels, nor will the last date of shooting be extended to allow extra time.

7.5 Re-Shoots

One entry is allowed for each competitor only. Re-shoots are not allowed.

7.6 Ties

Ties in either stage 1 or 2 will be decided on count back rules. If this does not achieve a result, then an extra card will be fired. This will be repeated until a winner is decided. To save time and postage, a competent Club Official may be delegated to officiate by scoring appropriately marked cards and supplying the results to the Organiser.

In the Final, any extra cards will be fired shoulder to shoulder until the tie is broken.
