

## SMALLBORE RIFLE LEAGUES – SUMMER 2024

Dear Shooter / Club Secretary / Club Captain

For many years UK Police Forces shooting clubs have held their own confined competitions and leagues. Our Long Range Championships held at Bisley in September has, for over 25 years, been an 'Open' Championship, whilst concurrently retaining a 'confined' aspect to it for Police service purposes.

We have operated a similar policy for our postal league programmes over the Summer and Winter seasons; it is therefore our pleasure to extend an invitation to non police service individuals, and club teams to contest our Summer Leagues in 2024.

Our season run's slightly 'out of line' with most other organisations as they are geared around our 'Open' Bisley Championships in September, and our 'Confined' Short-Range Championships (Mar/Apr). Shot cards may be scored "in house" by an experienced or NSRA/ISSF qualified scorer, and verified scores e mailed (or shot cards *may* be posted if preferred) to the designated statistical officer. Match periods will be 2 rounds every 3 weeks. For the 2024 Summer leagues the Final Firing Date for the first 2 rounds will be 18th May 2024. Each league will have its own dedicated statistical officer.

***We regret that due to our timings we cannot accept concurrent scores from other competitions.***

<b>EST</b>	If a competitor wishes to shoot on electronic scoring targets (i.e. Sius Ascor/Megalink/Meyton etc) they <b>must</b> be an NSRA approved system. If rounds are shot on EST systems, the first 20 shots will be taken to be the first or earlier due round, the next 20 shots the next round and so on. Stickers – 1 for each round to be shot should be affixed <b>before</b> shooting commences so that “LOG CLEARED” is clearly visible. At the conclusion of the relay the remaining stickers should be affixed on the strip adjacent to the relevant shots for that round, the shooter must sign the printer strip, and the witness must sign and date the strip. (Meyton & MegaLink if correctly formatted will print date and time of shooting. Apply labels, sign and witness to sign and date)
<b>Averages</b>	Please enter a current average (to one decimal place) in the appropriate column on the entry form. If a shooter does not yet have an average, they will be entered initially with as a Tyro with a low ave and this will be reviewed after 4 rounds have been shot. An average after 4 rounds will then be applied and they will then if necessary be reclassified.
<b>Scoring</b>	<b>YOU MUST NOT SCORE YOUR OWN TARGETS!</b> Score Certificates will be made available for use by a suitably qualified scorer in club, and can be completed by hand and posted – or scanned and emailed to the relevant statistical officer. <i>(Provided an original, signed certificate is retained we will accept a computer-generated version)</i> . If necessary shot cards may be sent to the league stats officer for scoring, correct postage must be applied. All scores or shot cards to reach the scorer by the Saturday following the rd's shot by date. In ALL cases, shot cards are to be retained by the club / competitor and may be called in at random for checking.
<b>Results</b>	Will be posted on our website and circulated by e mail to the club contact. Details will be sent with the Competition Stickers.
<b>Shot-by dates</b>	We are generally quite relaxed with our shot by dates. The very nature of policing means that rest days and leave can be cancelled at a whim, injuries on duty are sadly more regular so shooting has to suffer. We will consider all requests for extensions , such requests will be considered on their own merits. However we will be tighter in respect of the final rounds shot by date, when we would expect all due cards to be completed by.
<b>Payment</b>	<b><u>Cheques</u></b> should be made payable to: 'Police Sport UK - Shooting ' . <b><u>Online banking</u></b> : the PSUK Sort Code and Account number are on the entry form – as a reference please use the following protocol . . . . <b><u>Non Police entries</u></b> : Surname (if Ind entry) or Club name + 'Summ24' eg: <i>Smith-Summ24, Cardiff Rc-Summ24</i> . <b><u>Police Entries</u></b> : Force PNC Code (e.g. Leics “33” ) + 'Summ24' eg: <i>33-Summ24</i> . <b>Please ensure you are using our up to date banking details, our account changed during 2023.</b>

I look forward to receiving your – or your clubs – entry. The entry form is on the next page.

And finally . . . . . If you know of anyone else who might like to take part, please feel free to forward this to them!

Kind Regards,
