Police Sport UK Shooting Section Short Range Championships (Qualifying stage) 2022-23

The Police Sport UK Shooting Section Short Range Rifle and Pistol Championships will be hosted by Cumbria Police, at Cumberland News Rifle Club. The finals will be held on 25th March 2023 with the range being available for practice on Friday 24th for those who qualify.

Subject to Range space, the Individual Regional winner AND runner-up will receive an invite to shoot in the shoulder to shoulder finals in each of the three disciplines contested (Prone Rifle / Air Pistol / Lightweight Sport Rifle)

Due to the numbers of prone rifle shooters rapidly decreasing, consequently teams being unable to raise a team of 4 shooters, the prone rifle team (again, subject to range space) will be reduced to three persons per team AND like the individual finals, the winning team and runners-up from each region will be invited to attend. This will hopefully assist those teams that do not have enough shooters to enter a team of four.

At this stage the team size for Air Pistol and Lightweight Sporting Rifle remains at three persons; runner-up teams (if there are multiple teams entered) MAY be invited to attend the finals subject to the overall team entries and space available on the range. The likelihood of this will be known once all of the entries have been made and processed (in the region of late September)

Once Regional winners and runners up are identified, they will receive an invitation to attend the finals. At this stage the details of accommodation and other administrative details will be forwarded. If a shooter has qualified for the finals but cannot attend, the place will be offered to the next placed competitor(s)
